So a level one is like high 60s in percentages depending on which test youre taking and when I take a test and get the assessment report it lists the class average and the national average and where my scores fall in that. I know for the fundamentals test the national average was 70% or something.

Ati proctored fundamentals test - General Students - allnurses

After each ATI I've taken I have been somewhat upset at how poorly I felt the practice exams had prepared me for the proctored exam. However, despite these feelings, I preformed on par (or slightly better) on the proctored exams compared to the practice exams (I've made 3's on all of the exams so far), so don't let this freak you out too much.
