There are two main purposes of a call to action: to tell someone what they should do, and give them the motivation to do so. A lot of people remember to tell people what they should do, but they forget the why part of that equation. Without that, you won't see the types of conversion rates that you should.

50 Call To Action Examples (and How to Write the Perfect CTA)

The best call to action phrases are brief and use strong verbs. They speak directly to the user. Instead of weaker call to action words like click here, an effective call to action phrase example will use more specific words that speak directly to the desired outcome: Discover your best life. Join our community.

21 Call to Action Examples in Writing and 3 Rules for ...

Calls to action "above the fold" on a page (in the first screen viewable on a page without scrolling down) do very well. Calls to action in a sidebar don't perform as well as those in the central content area of a page. Put the call to action where the rest of the page will naturally lead a viewer's eyes. Bonus Tip: Test, Test, Test!

7 Tips for Effective Calls to Action - HubSpot

A traditional call to action is an image or phrase that is geared toward encouraging site visitors to click through to another page, where they can sign up or purchase a product or service. On the other hand a call to action in eLearning is not sales-driven.

6 Tips For Using Call To Action In eLearning - eLearning ...

For example, "Buy my ebook!" is a good call to action on your ebook sales page. "Sign up for my newsletter!" or "Pin it!" are calls to action too. An unclear call to action ("Here's my ebook...") or a non-call to action like ("Thanks for visiting my page about my ebook...") are ineffective. Here are some tips...
