The 3 Series was nigh untouchable and Audi really couldn't keep up. Sure, the Audi 80 was a good car but it was simply not as good as any generation of 3 Series it competed with. Which is why, in the early '90s, Audi realized it needed to do better and replaced it with something more competitive. Thus, the B5 Audi A4 was born.

Buyer's Guide: B5 Audi A4 -- Audi's First 3 Series-Fighter

removing roof antenna to replace gasket (B5 wagon) 07-02-2008 02:26 PM #1 I have a replacement base and gasket for my FUBA roof mount antenna on my B5 wagon, and I know it requires dropping the rear of the headliner, but I don't know what needs to come off to get that headliner down.
