Into The Americas A Novel

INTO THE AMERICAS (A novel based on a true story) is a gritty, real-life adventure based on one of history's greatest survival stories. It was inspired by the diary entries of young English blacksmith John Jewitt during his time aboard the brigantine The Boston and also during his sojourn at Nootka Sound, on North America's western seaboard, from 1802 to 1805.

The Nine Nations of North America is a 1981 book by Joel Garreau, in which the author suggests that North America can be divided into nine nations, which have distinctive economic and cultural features. He also argues that conventional national and state borders are largely artificial and irrelevant, and that his "nations" provide a more accurate way of understanding the true nature of North ...
