The COVID-19 pandemic has brought overwhelming grief to many families. FEMA's mission is to help people before, during and after disasters — and they are dedicated to helping ease some of the financial stress and burden caused by the virus. This is why FEMA is providing financial assistance for COVID-19-related funeral expenses incurred after January 20, 2020.

Food safety, nutrition and food security are inextricably linked. Unsafe food creates a vicious cycle of disease and malnutrition, particularly affecting infants, young children, elderly and the sick. Foodborne diseases impede socioeconomic development by straining health care systems, and harming national economies, tourism and trade.
